Odor	Mild Cleaner	General Wash Concentration	1:15
pH (Full Strength)	10.8 - 11.0	Exhaust Cleaning	concentrate or 1:1
		Weight/Gal. (lbs./gal.)	8.6

CLEANING PROCESS:

AVISHINE EXTERIOR BODY WASH is supplied as a liquid concentrate. Use this product diluted down with water 1: 15 for general aircraft body washing. For exhaust fumes, oils, and grease staining, use neat or dilute 1:1 with water. Do not scrub Lexan and use caution when utilizing abrasive type spray pads. NEVER ALLOW AVISHINE TO DRY ON PAINTED SURFACES OR STREAKING MAY OCCUR.

DISPOSAL:

Although AVISHINE EXTERIOR BODY WASH is biodegradable, the spent material will contain residues that should be characterized and discharged according to Federal, State and Local Regulations.

PACKAGING/STORAGE:

Packaged in 16 oz., 1 gallon, and 5 gallon containers. The product should be kept in its original container above freezing and less than 180 °F.

HMIS RATING:

Health 1 Fire 0 Reactivity 0
