

NuKLEEN™ Citro DK

General Purpose Degreaser

Features

NuKLEEN Citro DK is a safe general purpose degreaser containing surfactants, wetting agents, sequestrants, and solvents. It is used to remove medium to heavy oil. It can be used to remove all types of oils, greases, lubricants, dirt, and grime.

NuKLEEN Citro DK is proven in Paper Mills, Plywood Plants, Refineries, Chemical Plants, and Maintenance Shops. The following are examples of applications:

- Heavy Equipment
- Exhaust Systems
- False Ceilings
- Floor Cleaning
- Pump Supports
- Engine Degreasing
- Woodyard Equipment
- Maintenance preparation

Advantages and Benefits

CitroDK offers the following advantages and benefits:

- Removes medium to heavy oil residues with one application.
- Dissolves pitch, tar, sap, gum, adhesives and stickies.

- The stability of the foam ensures adherence to vertical surfaces.
- Excellent rinsing characteristics reduces downtime.
- The ease of application assists employees in initiating and monitoring the cleaning program.
- Safe for employees to use

Application & Equipment

Apply evenly using a TWI Foam-Miser™ cart or centralized system. Rinse prior to drying.

Package Size Availability

NuKLEEN CitroDK is available in 55-gallon drums, totes, and bulk.
