

## Product Bulletin

# Rig Kleen 5000

Concentrated, Heavy Duty Cleaner

## Features

Rig Kleen 5000 is a powerful heavy duty cleaner designed for exceptional cleaning. The surfactant system is specially designed to encapsulate hydrophobic material and promote free rinsing. The product will replace caustic-based and solvent containing products without leaving chemical residues or streaking. The Rig Kleen 5000 will readily remove grease, oils, dirt, and exhaust fumes.

## Advantages and Benefits

The Rig Kleen 5000 competitive edge:

- Penetrates and dissolves tough deposits so that surfaces can be free-rinsed with water, without the need for hand scrubbing.
- Formulation contains minimal amounts of alkaline materials. As with any industrial cleaner, protective gloves and eye wear should be worn. See MSDS for specific PPE.
- Non-Flammable and non-combustible solution allows for the cleaning of equipment and surfaces that cannot be cleaned using a citrus based or solvent based cleaners.

- Concentrated Formula allows for use dilutions of 10% or more.
- Environmentally friendly product is completely biodegradable and does not contain Butyl Ethers. All cleaning residues should be disposed of in accordance with local, state, and federal laws and regulations.
- Will not degrade rubber or corrode soft metals.

## Applications

Rig Kleen 5000 is designed for heavy duty cleaning in a variety of environments.

**MARINE**--Drilling barges & platforms, tow boats, docks, dredges and ships.

**LAND**--Drilling Rigs, transportation facilities, vehicle maintenance and rework facilities.

**AIR**--Helicopter operations and FBO's.

## Use Directions

Rig Kleen 5000 can be used as a concentrate or diluted according to the type and amount of residues. The cleaning formulation allows the chemical actives optimal contact time with the deposits. Followed by pressure or steam cleaning, maximum cleaning effectiveness can be achieved.

Apply product using rubber gloves and eye protection. Rinse prior to drying. Dispose of cleaning residues in accordance with local, state, and federal laws and regulations. Avoid Freezing. **KEEP OUT OF THE REACH OF CHILDREN.**
